section with the White Oaks railroad. They expected to meet the field party the neighborhood of Eden on the Pecos valley river, about eighty miles southeast of Las Vegas. It is given out flat that the construction of the line they are locating will be commenced as soon as reports have been made and approved by the officials of he respective companies' interested .-

Surveys of Land Grants.

The clerk of the court of private land laims has received from the commis lower of the general land office the plats of the surveys of the following and grants which will be submitted to he court at its next meeting: Angosura, 1,579.48 acres, Canada de Cochili 19.112.78 acres; Santa Rosa de Cubero 1.345,496 acres, all to Pernalillo county.

IT WAS A BIG PAIR.

Words of Local Interest.

seives proud last week in their twelft; annual fair, and the thousands of visitors to that city were more than pleaswith the reception tendered them edification. The fair Just ended has undoubtedly been the most successful ever held in the mouthwest, and the promoters of the enterprise, and espec fally President McCreight, have every reason for feeling much self satisfacion over the result of their labors. The lished institution and are certain to incream in unefulness with years. - Silver City Independent.

The above is a most pleasant article about the big fair held in this city last week, and while it was a success the rain of last Friday night, which cause? postponement of the events for that vening, will undoubtedly prevent the Fair association from meeting all of its bills in full, some of the bills as presented being unreasonably and outragsously high as to the amounts charged against the fair.

However, if all the unpaid contributons are paid in, the deficiency will be ery slight, and in that event arrangeneats will be made to completely wipe out each and every bill contracted for interest of the people and and made against the present Fair as-

The officials of the fair are anxious Garrett, our fellow townsman, if not more so than those holding bills against the association, to settle then territory and hereby instruct as early as possible, and they hope that delogates elected by this con- all those who placed their names on th rall of honor and have so far neglecte: to puy, will do so at once and thus helvotes for him. Respectfully the fair officials out of a dilemmi which they, by no fault of theirs, could

MAD SKUNK.

Repeatedly & ttacked Special Ranger Fearmrough.

ger for the cattle men of Grant county New Mexico, came in from Deming last night nursing a very bad arm, the resuit of a bite from a mad skunk. He is here to consult physicians and fears

The story of how the misfortune has pened is thrilling. Mr. Scarborouge was camped a few nights ago in the flatchic mountains in Grant county, where he had been in search of cattle Chieves. Late in the night he wa awakened by a scrambling noise unde his blanket. He struck at the object by irutings and a large skunk caugh ils wrist in its teeth and clung fast to

The result can be imagined. After shaking it as only a frightene. man can for about five seconds, he made the animal let go its hold, but Illi made fight. Mr. grabbed his pistol aid fired into his bed and the animal fled.

Thinking it was all over he returne: o bed and no sooner had he lain down than the skunk made another attack As the skunk went under the blanks in one side Mr. Scarborough went out on the other and opened fire on his antagonist. The skunk fled again but soon made another attack. In the third engagement the officer killed the antual with his Winchester.

The skunk was evidently mad an Mr. Scarborough has been exceedingly uncomfortable since. Although suffer-Kaneas City platform ing considerably, he spent the rest of and to the selection of dele- the night in camp and left early yesthere was no factional fight terday for El Paso to have his wound
